Description: In this Spanish class, kids learn Spanish naturally through fun, crafts, and drama.

Nature Study: Fall Edition

Class Time: 10:30 AM, 11:30 AM

Ages: 5-11 years old

Teacher: Kara

Class Fee: \$0

Materials Fee: \$5

Description: We will learn about God's creation through studying nature. We will read books, study different aspects of nature through diagrams and observation, and journal/draw/paint about our discoveries.

OPENING ACTS (Our preschool program)

Class Time: 9:30AM, 10:30AM, and 11:30AM

Ages: **Younger Siblings** who are **between 3 and 5 years old**

****If your child is in this age group, you only need to indicate "Opening ACTS" each hour your child is attending on the registration document****

Class Time: 9:30 AM

Class:

Teacher: Samantha

Material Fee: \$5

Description: We will engage in fun early literacy, counting and creative activities all surrounding the topic of transportation! We'll discover the different ways we can travel by playing related games, singing songs and reading picture books. We'll learn about what an amazing creator God is and how to explore His world through transportation.

Snack and Story Time 10:30 AM

Class: Snack and Story Time

Teacher: Anna

Material Fee: \$5

Description: We will be using the gift of creativity during the second hour of Opening ACTS. The kids will listen to transportation themed stories, make crafts and eat snack together. Snacks will be the RMC-approved pretzels or graham crackers (with GF options available as appropriate). If your child has ANY allergy, please alert the teacher directly at the Mandatory Meeting. Please send your child with a water bottle, clearly marked with their name, to class each week.

Class Time: 11:30 AM

Class: Gross Motor Skills

Teacher: Rachelle

Material Fee: \$0

Description: By the third hour, kids are ready to wiggle and play! This class is designed to provide structure for active play with games designed for running, jumping, skipping, etc.

We will use the church park when the weather is pleasant

End of Opening ACTS**P.E.**

Class Time: 9:30 AM

Ages/Grades: MS/HS

Teacher: Sean J.

Class Fee: \$0

Materials Fee: \$0

Description: This class focuses on developing athletic skills, understanding sports strategy, and building effective teamwork. Throughout the semester, students will learn the fundamentals of a variety of team sports and compete in group games. The environment is designed for all skill levels, emphasizing personal effort, sportsmanship, and collaborative play. Students should arrive ready to move, support their teammates, and work hard.

P.E.

Class Time: 11:30 AM

Ages/Grades: 3rd-6th

Teacher: Tim

Class Fee: \$0

Materials Fee: \$10 (purchasing PE equipment)

Description: This PE class uses international team sports to help students build coordination, teamwork, and confidence while practicing positive attitudes and sportsmanship. Each sport includes skill-building drills, games to introduce skills and rules, and short, modified scrimmages. All activities take place indoors in a gym and are adapted for safety, space, and age level. The emphasis is on participation, effort, and attitude.

Photography

Class Time: 9:30 AM

Ages/Grades: 3rd-6th

Teacher: Christina

Class Fee: \$0

Materials Fee: \$20

Description: Learn how to take great pictures through practicing with disposable cameras and studying what makes great photography.

Pioneer Skills

Class Time: 9:30 AM, 10:30AM

Ages/Grades: K-2nd

Teacher: Beth

Class Fee: \$0

Materials Fee: \$5

Description: We will learn about the basics of homestead/pioneer skills. The students will learn how to make soap, candles, kefir, and more. We will discuss different animals on the farm and products we can make. The students will have fun activities each week like making candles, butter, and learning about the animals on a farm and how they contribute to our daily lives.

Wonderfully Made Science Lab

Class Time: 9:30AM

Ages: K-2nd

Teacher: Alex

Class Fee: \$0

Materials Fee: \$TBD

Description: In this hands-on science class for grades K–2, students will explore the wonders of God’s world through exciting experiments, observations, and discovery activities. Together, we will investigate questions like: What causes rainbows? Why are birds’ beaks shaped differently? How do our senses help us understand the world around us? Through simple experiments, creative projects, and group discussions, young scientists will build curiosity, critical thinking skills, and a love of learning while having fun exploring science together.

STEM 2

Class Time: 9:30 AM, 11:30 AM

Ages: 8-12 years old

Teacher: Karin

Class Fee: \$0

Materials Fee: \$20

Description: In this class, we will continue to learn about and apply aspects of God's creation through a new set of hands-on STEM activities! Activities will include color-changing/glowing chemistry experiments, creating a mini ecosystem in a DIY terrarium, designing a catapult/trebuchet, making magnetic slime, building a mini maglev train, constructing a basic mini drone, and more! Some activities will be done individually and some with a partner. Come discover, experiment, and build! Note: Attendance in the previous STEM class is NOT required for this class.

Storytime Snack

Class Time: 10:30 AM

Ages: K-2nd

Teacher: Christina W.

Class Fee: \$0

Materials Fee: \$15

Description: Come read a story with us and have a snack. We will be venturing into the world of reading Dr. Seuss and having a memory-verse challenge each week for a small prize.

The Good Samaritan: An Introduction to First Aid

Class Time: 10:30

Ages: MS/HS

Teacher: Rebecca

Class Fee: \$0

Materials Fee: \$0

Description: The Good Samaritan in Luke's gospel came to the aid of a wounded man on the road, nursed his wounds, and brought him to an inn for rest and healing. This class will equip the students with introductory knowledge of first aid skills. Topics will include Anaphylaxis, Wounds, Choking, CPR, Respiratory Distress, Broken Bones/Fractures, Scene Safety and Vital Signs. Be advised--This class will largely be hands-on and interactive! By the end, you will be ready to be the next Good Samaritan in our community! (*NOTE* Though we will be covering CPR skills and practicing, your child will NOT be certified in CPR after this class.)

Tween/Teen Fellowship

Class Time: 11:30

Ages/Grades: MS/HS

Teacher: Alison

Class Fee: \$0

Materials Fee: \$0

Description: Let's hangout! This class is going to involve playing games, sharing stories, and of course talking about Jesus. We'll also be incorporating themes about communication, social skills, and life.
